## Pikes Peak Group Hosts July 14 Meeting of SC's Rocky Mtn Chapter!

*by Jane Ard-Smith, Pikes Peak Group Chair*

The Rocky Mountain Chapter Is Coming to Colorado Springs – Time to BBQ!

On Saturday, July 14<sup>th</sup>, the Rocky Mountain Chapter Executive Committee will be meeting in Colorado Springs, at the Division of Wildlife, 4255 Sinton Road (near I-25 and Garden of the Gods). The business meeting runs 9am to 5pm and is open to all

members. After the meeting (approximately 6 PM), please join the Chapter leaders and folks from the Pikes Peak Group for a BBQ at Dave Bryan's house. To RSVP and for directions, please contact Dave at 499-3283, dlbsierra@sunwest.net. We'll provide the burgers and dogs (including veggie options) – please bring your beverage of choice and a side dish to share.

### 07.07.07 — Live Earth and the COS Live Earth House Party

Al Gore's Live Earth international concert to raise awareness about global warming is right around the corner. Countless music fans both attending the concerts in person and tuning into the live stream on the Internet, will probably be joined by some key decision makers tuning in, too. Join with other Sierrans for this!

**What:** Live Earth House Party (Learn more about Live Earth at [www.LiveEarth.org](http://www.LiveEarth.org))

**When:** Saturday, July 7, 4 p.m. - 6 p.m.

**Where:** Home of Sierra Club member Cynthia Pulham — home is in northwest Colorado Springs in the Pinon Valley/Mountain Shadows area. If you plan to come, please send an e-mail to [wordsoutwest@gmail.com](mailto:wordsoutwest@gmail.com) for directions.

**Why:** To participate in a global event and discuss what we can do locally to address the climate crisis.

**Who:** All members of the Pikes Peak Group of the Sierra Club and family & friends

**What to bring:** Snacks and beverages to share.

**Space is limited! Please RSVP by sending an e-mail to [wordsoutwest@gmail.com](mailto:wordsoutwest@gmail.com)**

Environment Colorado is also running a Phone Jam concurrently: To add your message to the mp3 for Senators Allard and Salazar, you just need to let them know you'll be with them on 7/7/07 by joining the Live Earth Phone Jam! During the concert, you'll be recording personal voicemail messages on global warming to the senators. After the show, they'll deliver the messages as an mp3 file, and ask the senators to listen in. Maybe they'll even get onto their "Top Played" lists! But don't hold your breath (besides, 'not breathing' is not the best way to stop CO<sub>2</sub> emissions) on that one! ### Wine and Cheese — September General Meeting

Discover/Rediscover the Pikes Peak Group at the September "Wine and Cheese" General Meeting!

What are the Pikes Peak Group's five conservation priorities? Do you know what the Sierra Club is doing to promote those priorities? How many people belong to the Sierra Club? If you're curious about these questions, or just want to meet local Sierra Club members, please make plans to join us for a Wine and Cheese general meeting on Tuesday, September 11<sup>th</sup>, 7 - 8:30 pm, at our NEW MEETING LOCATION: the Community Room of the Gay and Lesbian Center, 315 E. Costilla.

Unlike our regular general meetings, we won't have an outside speaker or formal presentation. Instead, this is your chance to discover/rediscover the Pikes Peak Group – meet the local club leaders, find out what the group is doing in the community, or just hobnob with other folks interested in the environment. Space at the event is limited, so plan to arrive early. The suggested donation at the door is \$5 for nonmembers – but members get in free! And if the chance to rediscover the Sierra Club while noshing on wine and cheese isn't enticement enough, you'll also be entered into a drawing for a fabulous door prize or two. Hope to see you there!
