CC's Green Business Lecture Series

Green Markets: Business & Market Strategies for a Sustainable Economy is a lecture series offered this Spring at Colorado College. The last three lectures are March 7 (green cars), April 28 (greenhouse gas emissions trading), and May 3 (water), all at 7:30 pm. For details and locations, see the CCGM website at www.coloradocollege.edu/news_events/greenmarkets.asp

Improving environmental quality, protecting the natural world, and succeeding at business can indeed be compatible goals. In this series of lectures, innovative entrepreneurs explain how they have developed successful strategies to promote recycling, lessen transportation and energy costs, reduce greenhouse gases and protect rivers. The participants' websites with more information:

www.tomra.com www.zipcar.com
