We are faced today with an enormous challenge. Human beings fill the Earth; yet our tradition is to grow more. We must change direction and pursue a new goal, a steady state relationship with our planet.

Join Mike Nickerson, author of "Life, Money & Illusion: Living on Earth as if we want to stay" for a talk and discussion about the options from which we can choose our future.

Event hosted by: Growthbusters (Citizen-Powered Media), producers of the documentary *Hooked on Growth: Our Misguided Quest for Prosperity*.
